### Daniel O'Donnell

This Irish singer is one of the best loved artists of our time! After rising to public attention in 1983, he has become a household name in Ireland and Britain and has had much

success in the U.S. and Australia as well. He is the only artist in the world to score a hit in the United Kingdom album charts every year since 1988, an unprecedented and unbroken 30 year span.

### Clint Black

One of Country music's brightest stars. He is an accomplished singer and guitarist. His continued success can be attributed in part to his deep sense of Country music history, and

his humble gratitude in being an important part of it. With such a long and productive career, he still keeps his output as fresh now as when he was a hungry, up-and-coming artist.

### The Texas Tenors

Since their whirlwind debut nine years ago on NBC's America's Got Talent, The Texas Tenors have accumulated a long list

of awards, accolades and an enthusiastic fan base. The Texas Tenors will showcase popular hits from Classical to Country and everything in between.
