

Creation Museum:

The state-of-the-art Creation Museum allows you to venture through biblical history, stunning exhibits, botanical gardens, planetarium, petting zoo, zip line adventure course, and much more. This 75,000-square-foot facility has welcomed over 2.5 million guests since opening in May 2007 in Petersburg, KY. The history of the Bible vividly comes to life at the world-class Creation Museum. As you enter the Time Tunnel, you'll be transported back 6,000 years to the dawn of time. You'll encounter a realistic Garden of Eden, flood dioramas, stunning video displays and much more throughout your journey.

Ark Encounter:

The Ark Encounter is a one-of-a-kind historically themed attraction that opened in July 2016 in Williamstown, KY. In an educational, immersive, and entertaining way, it presents a number of historical events centered on an all-wood Ark, which is the largest timber-frame structure in the USA and the most authentic full-size replica of Noah's Ark in the world. Ark Encounter is three exhibits in one—the massive Ark structure itself, incredible craftsmanship, and beautifully-fabricated teaching exhibits. The combination of all three will amaze and inspire you to think differently about the biblical account of Noah's Ark. Travel back in time on a mile-long scenic bus ride, through a beautiful valley and across a bridge, and then ascend the road in view of the massive Noah's Ark.
