party

fun

Mileage and number of hours of use determine the cost. A \$150 deposit is required before your group departs. The deposit will be refunded if the bus does not require cleaning or repair beyond normal expectations. Vomit, extreme spillage, damage to seats and interior, etc., are beyond normal cleaning expectations. If there is extreme physical damage; you will be billed for repairs.

The rental rate does not include gratuity for your driver. If you receive good service, be sure to thank your driver for your safe and fun ride!

When calling for a quote, please have a tentative itinerary with leave and return time. It is also a good idea to have a back-up date in the event the party bus is booked for your first choice.
